Attorneys for Defendants

IN THE SUPREME COURT OF THE STATE OF IDAHO

PLANNED PARENTHOOD OF THE GREAT
NORTHWEST, HAWAII, ALASKA,
INDIANA, KENTUCKY, on behalf of itself, its
staff, physicians and patients, and Caitlin
Gustafson, M.D., on behalf of herself and her
patients,

Petitioners,

v.

STATE OF IDAHO,

Respondent.

Docket No. 49615-2022

**MOTION TO RECONSIDER
ORDER RE: VERIFIED
PETITION FOR WRIT OF
PROHIBITION AND
APPLICATION FOR
DECLARATORY JUDGMENT**

Respondent, the State of Idaho, hereby requests that this Court reconsider its Order Re: Verified Petition for Writ of Prohibition issued March 31, 2022 (“the Order”) expediting briefing in this weighty matter raising six constitutional claims challenging one of the State’s duly enacted statutes. Through no fault of its own, Respondent did not have an opportunity to file its opposition

to Petitioners' Motion to Expedite Briefing and Argument prior to the granting of this Motion. The Order was issued less than a day after counsel for Respondent received a copy of the Motion from Petitioners' counsel. Respondent therefore respectfully requests that this Court reconsider the Order to allow consideration of Respondent's opposition. Upon reconsideration, Respondent requests that the Court deny Petitioners' Motion to Expedite because (1) the novel and weighty constitutional issues raised in the Petition deserve careful consideration, which will be lost if the current briefing schedule set by the Order stands; (2) the Petition presents generalized constitutional questions, as well as factual issues, that are inappropriate for the exercise of original jurisdiction; and (3) there are multiple alternative and timely avenues by which Petitioners could obtain the expeditious relief that they seek.
