Case Name: Arnon von Ehlinger

Case Number: CRO1-21-34839

I want:

- a copy of a document - preferably by email
- a duplicate audiotape of a proceeding on _____ (date)
- a written transcript of a proceeding on _____ (date)
- to examine an entire court file
- to examine a document in a file
- to allow clerk to complete Part III of Certification of Adoption

For Adoption or Termination of Parental Rights Cases:

Year of Adoption or Termination: _____
 Adopting Parent(s) Name: _____
 Child's Name Before Adoption: _____
 Birth Mother's Name: _____
 Birth Father's Name: _____

If you are asking for a copy of documents or to examine documents, please describe the documents in detail. May 2 - Sentencing packet; June 8 - Decl of Alicia Schiffer;
June 8 - Decl of Brandy Bentzinger; June 22 - Evaluation; June 27 - Restitution packet

Please state briefly the reason you are making this request and the use to which you will put any record obtained. I'm a reporter and have been covering this case since April, 2021.
It's my understanding that Arnon has someone willing to provide testimony to support his request for a new trial. The Tribune has never reported the victim's name and has no interest in doing Action Taken by Custodial Judge so now. However, if there are court documents supporting his claim of innocence, we feel that should be reported.

- Request granted for disclosure.
- Request denied for disclosure. Reason for denial or comments: _____

The materials requested are exempt from disclosure pursuant to ICAR 32(g) and (i). The court has not ruled on the Motion for a new trial. If that were granted disclosure would like impact the parties right to a fair trial.

Dated this _____ day of _____, 20____.
