Time	Speaker	Note	
9:12:34 AM		AARON VON EHLINGER CR01 21 34839 MO/CONTINUE SENTENCING	
9:12:38 AM		Present: Shawna Dunn for the State, Jon Cox for the defense, defendant in custody	
9:12:58 AM	Cox	Argues motion. Ask for status oin 08/22 to set new sentencing date.	
9:14:57 AM	Court	I won't entertain bond argument at this time because it hasn't been noticed.	
9:15:12 AM	Cox	I thought it had been set.	
9:15:21 AM	Court	The only thing I see is the mo/continue.	
9:15:29 AM	Cox	I'll get that filed.	
9:15:33 AM	Dunn	Response in objection to the mo/continue.	
9:16:20 AM	Court	It appears that the requested transcript was filed on 20 July, and the opening memorandum was due 14 days after that. I'm not inclined to revisit that order. Expect the opening memorandum to be filed no later than COB 08/04. I'll grant the continuance. State's reply to the memorandum to be filed by 08/16. I'll set this for hearing on that motion at 08/25 at 3pm. I hope to rule on the motion at the time of that hearing, and there won't be a long delay after the hearing before sentencing - maybe a couple of weeks.	
9:18:56 AM		End of case
