--	---

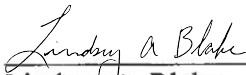

The State, by and through the Office of Prosecuting Attorney for Fremont County, and the Defendants, CHAD GUY DAYBELL and LORI NORENE VALLOW DAYBELL, through their respective counsel of record, hereby stipulate as follows regarding the State's Motion for Consumptive Testing:

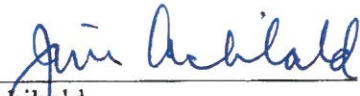

1. The Parties agree that the samples listed in the State's Motion for Consumptive Testing may be consumed by the State Lab to determine if sufficient DNA is present to create a DNA profile.
2. In the event sufficient DNA is available to create more than one profile, the DNA sample will be split between the parties for testing, and each party may have the expert of their choice test their respective portions of the DNA.
3. In the event sufficient DNA is available for only one profile to be created, the parties agree the State Lab shall halt any further testing and the parties will reconvene at that time to determine who should conduct any further testing.
