To Whom it May Concern:

Please consider this request for approval to attend through virtual means the public livestreamed court proceedings for State v Lori Vallow Daybell. As the youngest sibling of Tammy Daybell, against whom Lori is charged with 'Conspiracy to commit first-degree murder', I believe it is my right and responsibility to attend the public trial and bear personal witness to the proceedings. Unfortunately, due to several factors, I am unable to attend the trial in person and as such, am requesting to view these proceedings virtually. Namely, to travel to Ada County for approximately 10 weeks, making me unable to work and earn needed income, is not financially feasible for me and my family. Additionally, the strain my absence would make on my wife, who also works full-time, and my three-year old twins for that length of time would be considerable. I would be happy to comply with any and all guidelines or rules set forth by the court in order to attend virtually.

Thank you,  
Benjamin Douglas
