Dear Judge Boyce:

I am writing to provide the court with my mailing address. I did not include it in my motions. I write a popular blog about the Daybell/Vallow case. I also appear as a guest on several YouTube and Podcast channels. I do not currently have a separate office address and would prefer that my home address not be available to the public. I have no objection to the court or the attorneys having it. Thank you for your professional courtesies.

Sincerely,
