Defendant's reaction to the Court proceedings.

It is clear this Court recognizes the important function of the media to provide transparency of these proceedings. It is equally clear this Court recognizes the constitutional rights of the Defendant and the critical importance of decorum in Court proceedings. Despite the Defendant's accusations, the media has done nothing to violate the balance properly struck by this Court. Therefore, Interested Persons respectfully request that the Defendant's motion be denied.

Dated: September 8, 2022
