Case No. CR 33-20-0302

MOTION TO QUASH SUBPOENA DUCES
TECUM

COMES NOW, Marcia Murdoch, Fremont County Prosecuting Attorney, and moves the court for an order to quash the defendant's subpoena duces tecum pursuant to I.C.R. 17(b) on the basis the information sought in the subpoena duces tecum is both unreasonable and oppressive. The information sought in the subpoena is both unreasonable and oppressive because it requests information that is not relevant and relates only to a separate, ongoing investigation in Fremont County that is not related to the charges in the criminal complaint filed against the defendant in this case.

The State requests a hearing on this motion and will make oral argument at that time.

DATED this 6th day of May, 2020.
